TABLOID

A documentary film by Errol Morris

Tuesday, February 7 ~ 6:45 P.M.

Dylan Skolnick, co-director of the Cinema Arts Centre, Huntington will lead a discussion immediately following the showing of the film.

“The sheer heterogeneity of human experience is one of [Morris'] enduring preoccupations, and he has found, once again, an impossible and perfect embodiment of just how curious our species can be.”

A.O. Scott - New York Times
